BOARD OF COUNTY COMMISSIONERS  
AGENDA ITEM SUMMARY

Meeting Date: 1/21/04

Division: Community Services

Bulk Item: Yes X No     

Department: Social Services

---

AGENDA ITEM WORDING: Approval to increase Bayshore Manor's bed capacity from 16 to 20 beds.

---

ITEM BACKGROUND: Bayshore Manor is the only assisted living facility in Monroe County for the elderly. There is a tremendous need to increase the license to this capacity. This increase will have no budgetary impact. Current staff is able to handle the additional increase.

---

PREVIOUS RELEVANT BOCC ACTION: Historically, the facility had a capacity of 40 beds, 2 residents per room, and due to the size of the rooms it was best to reduce to one resident per room. Due to Social Security regulations it was decided several years ago to license the facility at 16 beds. Be advised this regulation is still a concern and it only affects those residents receiving Supplemental Security Income (SSI). For the past several years, we had our congressional representatives introduce a bill to exempt our facility from this regulation, but we have had no success with our U.S. Senators introducing this same bill.
